

## Household Goods Packing Certificate

(To be completed by Owner, Packing Company Representative, or Forwarder Representative)

I, \_\_\_\_\_ certify that none of the items outlined below have been included for shipment. (Initial after each bullet item.)

- Highly Flammable Materials such as Gasoline, Butane, Propane, Camp Stove Fuel, or Charcoal Lighter.
- Aerosol Containers, including Hair Spray, Cooking Spray, Cleaning Fluids, Insecticides, or Air Fresheners
- Corrosives or Solvents, such as Paint Thinner, Ammonia, or Bleach
- Toxins such as Rat Poison, Herbicides, or Pesticides
- Fireworks, Ammunition, or other explosives.

Additionally any of the following items need to be certified as being properly prepared for shipment. (Initial after each bullet item.)

- Internal combustion engines must have the fuel drained, be run to a stall, and then have the battery cables disconnected and the battery leads secured. This includes lawn and garden equipment and generators as well as all motor vehicles.
- SCUBA and other compressed gas cylinders must be professionally purged.
- Outdoor items must be cleaned so as to be free from soil, vegetable matter, and insect pests.
- Any solid wood packing material (not plywood or pressboard) must bear a heat treatment mark or be certified as having been treated with an approved ISPM compliant fumigant.
